BIDPOINT WIRELESS PARTNERS

Testimonials

COUNTY GOVERNMENT

"In a time when county governments must constantly make tough budgeting decisions, Bidpoints wireless partner succeeded in meeting all our wireless cost reduction goals. Bidpoints wireless partner continues to audit and monitor our wireless bills each month to make sure we continue to receive the lowest possible cost."

Jason W.

BOAT MOTOR MANUFACTURER

"Bidpoints wireless partner did exactly what they promised. They saved us over \$100,000 a year on our wireless monthly reoccurring charges and did it without any changes to our carrier agreements. They took a very small amount of our time and worked tirelessly on our behalf. True professionals!"

Brett R.

UTILITY SERVICES COMPANY

"As a large user of wireless services, we were convinced our internal wireless audits produced the most efficient cost control possible. We could not have been more wrong. Bidpoints wireless partner came in and immediately identified areas where we could literally save hundreds of thousands of dollars on our wireless accounts. I would recommend Bidpoints wireless partner to any company that is serious about controlling their wireless costs."

David B.

TREE SERVICE / ARBORIST

"We want to thank Bidpoints wireless partner on the successful negotiation of a \$100,000 credit from our wireless carrier. Combined with the annual savings Bidpoints wireless partner had already delivered, we saved over a quarter of a million dollars in wireless charges in one year. Nothing short of amazing!"

Fred J.

MEDICAL SERVICE

"Our Medical Center has been using the wireless cost reduction services of Bidpoints wireless partner since January 2017. Since that time Bidpoints wireless partner has lowered our wireless bill by 43%. Our hospital would not have received these savings if it had not been for Bidpoints wireless partner's detailed work and dedicated efforts on our behalf. Bidpoints wireless partner has always been professional, accountable, and easy to work with. I enthusiastically recommend Bidpoints wireless partner for your wireless cost reduction services"

Kim P.

Choose **BIDPOINT** to find out if you are being overcharged by your wireless service provider.

Why **BIDPOINT**

BIDPOINT'S WIRELESS PARTNERS are client advocates in the wireless service business, helping companies combat the inefficiencies and over billing that exist throughout the wireless industry. We provide streamlined, single-source wireless management solutions that save you time and money. Our national footprint and the strength of our long-term relationships allow our clients to realize an average savings of 30% on your existing wireless costs. Working with **BIDPOINT** on your wireless cost reduction service allows you to make the correct buying decisions for your wireless needs with no need to change carriers or contract length.
