

**Wastetech**.com  
YOUR WASTE & RECYCLING PARTNER

## WASTE HAULER COST REDUCTION SERVICES

# GUARANTEED 10% Net Savings

### TESTIMONIALS

### Why WASTETECH?

#### PROPERTY MANAGEMENT

"To our company this service is priceless. I couldn't be more pleased at the level of service that has been provided by WasteTech. With your savings of 45% we are projected over the next five years to save over a half a million dollars. WasteTech would be an asset to any management company or organization looking to outsource their waste and recycling program."

*John R—Operations Manager*

#### BURGER KING FRANCHISE

"In addition to the \$30,000 + in annual savings, you have successfully retrieved hundreds of dollars in credits from our haulers, all with no involvement on our end. The fact that you understand and audit each and every invoice provides an invaluable service to us. We are pleased to say you have shown a true desire to provide superior service and are fully committed to our partnership."

*Pam B—Controller*

**WasteTech** is a client advocate Inc. 500 company in the waste and recycling business, helping companies combat the inefficiencies and over billing that exist throughout the industry.

We provide streamlined, single source waste management solutions that save you time and money. Our national footprint and the strength of our longterm hauler relationships allow our clients to realize savings of 10% to 50% on solid waste and recycling costs.

Outsourcing waste disposal and recycling allows you to concentrate on your core business, leaving the trash to us.
