TESTIMONIALS

Why WATERSTONE?

PROPERTY MANAGEMENT

"To our company this service is priceless. I couldn't be more pleased at the level of service that has been provided by WATERSTONE. With your savings of 45% we are projected over the next five years to save over a half a million dollars. WATERSTONE would be an asset to any management company or organization looking to outsource their waste and recycling program."

John R—Operations Manager

BURGER KING FRANCHISE

"In addition to the \$30,000 + in annual savings, you have successfully retrieved hundreds of dollars in credits from our haulers, all with no involvement on our end. The fact that you understand and audit each and every invoice provides an invaluable service to us. We are pleased to say you have shown a true desire to provide superior service and are fully committed to our partnership."

Pam B—Controller

Waterstone is a client advocate in the waste and recycling business, helping companies combat the inefficiencies and over billing that exist throughout the industry.

We provide streamlined, single-source waste management solutions that save you time and money. Our national footprint and the strength of our long-term hauler relationships allow our clients to realize an average savings of 30% on solid waste and recycling costs.

Collaborating with Waterstone on your waste disposal and recycling allows you to concentrate on your core business, leaving the trash to us.
